Dear Client:

Navigating current market events and economic challenges with the impact of COVID-19 may feel daunting to you right now. We're discovering that many of our clients have similar questions, so I've recorded a series of short videos to give you the answers.

These videos, posted online, answer questions ranging from general to specific regarding:

- The economy.
- Investing.
- Retirement.
- How Edelman Financial Engines is helping you during these difficult times.

We invite you to access the videos through this link: <https://retail.edelmanfinancialengines.com/ric-edelman-video-faq/>. Feel free to share these with your friends and family!

And, as always, contact your advisor if you have any questions.

Thank you for the privilege to serve you. We're here for you.

Regards!
